As a resident of Edgware for 50 years living in Fairfield Avenue, I am totally against the development plans drawn up by the local council. It is only recently that we had to object to the intention of a one way road which would have caused chaos for me and others with vehicles in Fairfield Avenue, Fairfield Crescent, Heming Road etc etc. The Town Centre at Edgware has changed significantly during my period here. We have a station, a shopping centre, car parking etc so why would we want the drastic amendments that you suggest. Once again I voice my concern at these dreadful plans. R Fisher [REDACTED]
