I am writing to express my concerns regarding the Edgware Policy in the proposed Main Modifications to the Barnet Local Plan.

It does not apply to a third of the town as it only covers the Barnet side of Edgware. It gives little weight to the impact on the Harrow side. We feel that decisions affecting Edgware should be made collaboratively between both Boroughs.

Unfortunately, I haven't received any written communication from Barnet Council about the Local Plan, despite its significance for Edgware's future. Given the potential for significant change to Edgware's character and residents' quality of life, I believe wider notification would have been helpful.

I am deeply concerned about the impact of the Local Plan on Edgware and its residents, both present and future.

It seems ridiculous to be planning to build so many extra flats with no parking. What if people want to travel north? There is no tube beyond Edgware in that direction cars are needed.

In light of these concerns, I would like to express my support for any representations made by Save Our Edgware and the Edgware Community Association. Please consider their submissions as reflecting my own concerns.

Yours sincerely
