I am extremely worried about the plans for re development of Edgware of which I have only become aware recently.

I am a senior citizen aged 84 and have lived in Edgware all my life. I have always appreciated the environs and facilities it had to offer. However I am appalled at the plans for redevelopment which will seriously impact my life.

I drive to the Broadwalk to do my shopping. Building on "Site27" would lead to a loss of public parking. This would ruin Edgware as a shopping, banking and dining area.

The plan to build 4740 homes on "site28" would be a complete eyesore and lead to overcrowding, an increase in litter and crime and an impossible demand on local services, such as schools, GP surgeries etc.

In light of these concerns, I would like to express my support for any representations made by Save Our Edgware and the Edgware Community Association. Please consider their submissions as reflecting my own concerns.

Yours sincerely
