[REDACTED]

Dear Sirs

I am writing to express my concerns regarding the Edgware Policy in the proposed Main Modifications to the Barnet Local Plan. The impact of 4,740 new homes in a suburban area like Edgware would have an enormous impact on all who live here. [REDACTED]

As a Harrow resident who uses Edgware frequently there seems to be very little attention paid to the impact the proposed development would have to the Harrow side. Barnet Council have not been in touch with me with their proposals and I feel wider notification would have been most helpful.

I am very concerned about the impact of the Local Plan on Edgware and for its residents, both present and future. In light of the concerns I would like to express my support for any representations made by Save Our Edgware and Edgware Community Association. Please consider their submissions as reflecting my concerns.

Yours faithfully,
Gaby Israel
