Dear sirs,

I have been living in Barnet for 30 years at above address and next street.

I care for my father in law, and my mother as a carer.

Work and use Edgware shopping centre everyday easy excess parking with people

Old and disable.

Great banking! Best choice of food outlets! Shopping centre blue chip companies and independents.

Totally disagree with tower blocks haven't got any infrastructure drs ect.

We use the buses regularly, NOT fair Barnet council getting involved what about

HARROW as well, do up Barnet leave Harrow.

10 year it take no supermarket, turn Edgware into hongkong tower blocks.

No wonder all people I know in Jewish and Brithish Hindu/Jain/Christian are thinking to leave.

Public buses will close while under construction, supermarkets close temporarily,

Main shops. Will go.

All the communities get ago , after construction it will be labour and mostly people on benefits another Colindale high rise , no parking,

Just to keep the major London happy.

Yours sincerely hatika shah
