I am writing to express my concerns regarding the Edgware Policy in the proposed Main Modifications to the Barnet Local Plan.

As a resident of Edgware for over 36 years and a visitor for even longer, I understand the plan has been under development since 2020. However, I have only recently become aware of its existence and its potential impact on our community. Unfortunately, I have not received any written communication from Barnet Council about the Local Plan, despite the significance for Edgware's future. Given the potential for significant change to Edgware's character and residents' quality of life, I believe wider notification would have been helpful and should have been given to all those who reside in Edgware and the surrounding area.

I found the volume and complexity of the Local Plan and the related documents overwhelming. The 42-day consultation period seems insufficient for anybody to comprehend the plan's details – especially for anyone with work or caring commitments. I am deeply concerned about the impact of the Local Plan on Edgware and its residents, both present and future.

In light of these concerns, I would like to express my support for any representations made by Save Our Edgware and the Edgware Community Association. Please consider their submissions as reflecting my own concerns.

L. Berlofsky (Mrs.)
