I am writing to express my concerns regarding the Edgware Policy in the proposed Main Modifications to the Barnet Local Plan. As a resident of Edgware, I understand the plan has been under development since 2020. However, I only recently became aware of its existence and its potential impact on our community.

Unfortunately, I haven't received any written communication from Barnet Council about the Local Plan, despite its significance for Edgware's future. Given the potential for significant change to Edgware's character and residents' quality of life, I believe wider notification would have been helpful. I feel that Edgware's public facilities are already at breaking point, and in the absence of any written explanation from the council as to how these issues can be offset I find it hard to understand how our quality of life as Edgware residents will be maintained, let alone improved. I am deeply concerned about the impact of the Local Plan on Edgware and its residents, both present and future.

In light of these concerns, I would like to express my support for any representations made by Save Our Edgware and the Edgware Community Association. Please consider their submissions as reflecting my own concerns.

Please can you arrange for this letter to be considered as part of the Equality Impact Assessment.

Yours sincerely

Stephen Hartley
